The dimensions A and B for T5 Reverse, T8, T9, T10 and T11 shapes are taken from uncovered seats. Therefore, if your T5 Rev, T8, T9, T10 or T11 is 1/4 or fully covered, dimension A will be 6mm smaller and B will be 10 mm smaller than shown here.

\* These seats are available with the rolled composite edge cut off to reduce the width at the front.
